

Structure

Information Architecture

Will be a simple tree structure using a horizontal bar near the top to the page taking up the right two thirds of the page.

Interaction Design (IXD)

Site Logo will bring user back to home as having “home” on the navigation bar.
Each menu heading will have some sort of roll over to confirm that clicking that area has an action

All navigation button will have similar color which is related to the colors of the institution Erasmus MC

The contact form will have all fields required to know who and from where they want to collaborate

A message will be provide once they submit the project summary with the details, when they hit the button

The social links to Facebook, YouTube and LinkedIn will have roll-over effects and open in a blank window.

The links to PubMed, Google Scholar, and the official website for Erasmus MC will be open in a blank window
